“ New meets old in this beautiful hotel

From the moment you enter The Cottage Hotel you are made to feel like a special guest. All the staff looked after us so well and always with a smile. Nothing was too much trouble for them. We loved the old part of the hotel with its history and interesting features.

The new part has been done to such a high standard with quality interior design and light and airy rooms. We were lucky enough to stay in a premier sea view room and it really was stunning and what a view to wake up to!

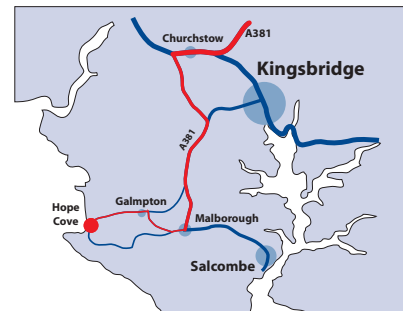

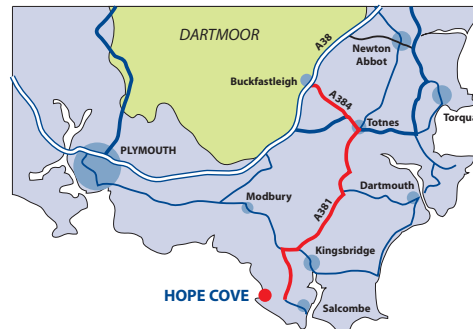

We left feeling so relaxed and can't wait to visit again soon.

Well done to all the team. ”

How to Find Us

Take the A38 dual carriageway from Exeter. At Buckfastleigh turn left for Totnes along the A384. Just prior to entering Totnes turn right, picking up the A381 for Kingsbridge. Continue past Kingsbridge and follow the A381 towards Salcombe. Although Hope Cove is signposted along this road, we suggest you take the second turning (sharp right) at the village of Malborough. Continue towards Hope Cove and then turn left for Inner Hope. The hotel is on your right at the top of the hill.
