

Circular Walk Starting and Finishing in Inner Hope

Follow the coastal path towards Salcombe as in walk 2. When you arrive at Bolberry Down instead of continuing along the Coast path turn left towards the radio masts and cross the cattle grid. Follow the road to a T-junction, continue forward and at the next junction turn down steeply to the right. At the top of a short hill, continue down a green lane to North Bolberry. Turn left, go along the drive almost to the gate where you will see a narrow footpath.

This leads to a stile, cross the field to another stile. Continue with the hedge on your right. Turn left and go over a wall stile by a gate and continue along the ridgeway with the hedge on your left, through several fields, to come out at a gate, and down by houses to the road. Cross the road and go down the steps to the left of the chapel. Turn left and follow the path back to Inner Hope.
